Week 7 Term 2, 2018

Wednesday 13th June, 2018

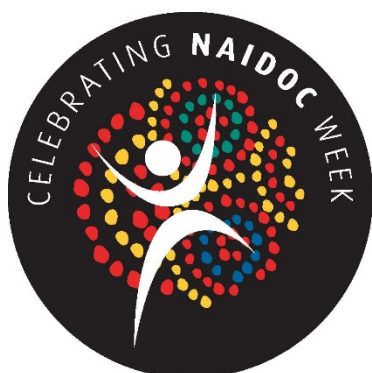

We hope you all had a lovely long weekend and got the opportunity to spend some quality time with your family and friends.

Yesterday, Jeremy went to Griffith High School during lunch to join the students in Years 7 – 12 at Clontarf. It was wonderful seeing the young men treat each other with respect and ensure Jeremy was included in the game of basketball. Many thanks to Roger Penrith and the young men at Clontarf for supporting us with engaging our young Aboriginal men with the Aboriginal community.

BECAUSE OF HER, WE CAN!

8-15 JULY 2018

NAIDOC Week Celebrations at Kalinda School will take place throughout the week of Monday 2nd to Friday 6th July. We will be holding a BBQ lunch on Monday 2nd July from 1:30pm to kick off our celebrations. This will then be followed by our Week 10 Assembly where Bronze and Silver Awards will be presented. We would like to invite our community to join us each afternoon from 2:30pm to participate in a selection of Indigenous based activities. If you are available to assist us with any activities please contact the school.

Kalinda School is now advertising for a School Learning Support Officer - Aboriginal Students. Applications close on Wednesday 20th June. For more information please see the link below or contact Angela Sampson at Kalinda School on 69623271

Focus On Ability During literacy sessions throughout Term 2, Jade class have been working on a movie for the Focus on Ability Short Film Festival. They have been learning new skills such as: problem solving, iMovie maker, turn taking, research skills, video editing, sharing and planning a movie sequence. Jade class received some exciting news on Thursday... Their movie has been accepted into the Festival!
More information will be available in the coming weeks about voting for our film!

Signing in to Kalinda School: We must ensure that all visitors including parents must sign in to enter the school during hours of operation. This means if you are entering the school between 9.10 and 3.10, including Assembly and child collection, you will be required to sign in at the front office. If you are dropping your child at school prior to 9.10am or collecting them after 3.10pm you are not required to sign in.

Borambola Camp for Years 5 – 8: A reminder that time is passing by quickly. We encourage you to begin making payments towards the total cost of the camp. Final payment is due by 24th August.

Positive Behaviour for Learning:

Congratulations to PBL raffle winners this week, Jesse, Matthew C. and Aidden C.

Our Values Award this week was Jack Nikita Porter for being Inclusive by including herself in activities!

Assembly Awards Tern 2 Week 6:

Jade: Aidden Connors
Topaz: Samuel Singh and Nikita Porter
Onyx: Connor Dreyer
Ruby: Jack Stephens
Malachite: Tyrese Koehler
RFF: Tristen Irvin
Principal's Award: Angus Lander

Topaz Weekly Story ~ Gianni In The Future

Yesterday on a sunny summers day Gianni and his dog Simba went to the park to watch a show. They found a big powerful time machine. There was a triangle door to enter the time machine but Gianni was a bit worried that he might not be found if he went in it, so he took off his shoes and left them behind. When he went inside it was sparkly and gold, it was so shiny that he accidentally fell over Simba and pushed some buttons. The time machine spun around and around and got smaller and smaller until it disappeared. It went 2002 years into the future.

The door opened and two giant ants stood there looking at him. They said hello but they didn't just talk they sang when they spoke. Gianni wasn't scared of the ants so said hello back. The ants asked Gianni if he would like to go for a ride on his back to New York City. The ant ran really fast over land and water, it only took 1 hour to get there from Australia. When they got to New York City they met Joel and Tanielu who were inside robots and making another time machine. Gianni asked the ants how they got to be so giant. They said a bomb went off in a lab. The ants where feeling angry and sad because they didn't have enough food to eat. The ants ate salad leaves but the salad was still very teeny tiny compared to them. They tell Gianni that he has to go home and take a robot that can create giant salad for them in the future. Simba had to stay behind so that the robot could fit in the time machine. The new time machine had wheels on it and made a JOOOOOOP sound. The time machine bounced, zigzagged and spun around. Gianni and the Robot landed back home in Australia at the same time they started. They knew what they had to do, make lots of gardens that could produce giant salad leaves for the futuristic ants. Gianni picked up his shoes and they got to work.

NSW Public School Disability Dance Workshop: On 27th

July the NSW Public Schools Disability Dance Workshops are a dance project specifically designed to give students with disabilities the opportunity to explore, discover and reach new physical limits whilst engaging in dance.

During this one day workshop, students and teachers will have the opportunity to work with other schools and further develop their knowledge and understanding of composition and dance technique. Teachers will be given

specific professional development opportunities that they can take back to the classroom with them and further this experience with their students. Students will look at new forms of physical expression, getting in tune with their musicality and perfecting their dance moves.

This work shop is for students aged 10-17 and has limited numbers, so first in and best dressed. Notes due back on 20/06/2018 and money is due back on 27/06/2018. Financial assistance is available please contact the office for assistance
