Week 9 Term 2, 2018

Wednesday 27th June 2018

This week Kalinda School has been very lucky to have 3 young men volunteer their time to work at our school. Brock, Jordan and Sam are students at Riverview College in Sydney. During their time here they have supported our students across all areas of the curriculum, and socialising in the playground and accompanying our students with transition to post school options. On behalf of the Kalinda School community we would like to sincerely thank Brock, Jordan and Sam for their commitment to our students and the respect that they have shown. We wish them every success in their future and hope they remain friends of Kalinda School.

Review Meetings: Many thanks to the families who have already arranged a time with your child's teacher to discuss your child's progress towards achieving their personalised learning goals. If you have not yet made an appointment, we ask that you do this as soon as possible, so that any changes to goals may be made in time for Term 3.

My child is sick, should they attend school? Illnesses can spread very quickly in schools, to both students and staff. We have some students at our school who have a suppressed immune system, and any illness that may seem small to the general population can be quite serious for them. Illnesses can spread quite quickly to other students and staff, resulting in them getting sick too. Please consider keeping your child home from school when they are sick and seeking prompt medical attention.

BECAUSE OF HER, WE CAN!
