Week 5 Term 3, 2019

Wednesday 21st August 2019

Last Friday evening was the Opening Night for the Yield Exhibition at Griffith Regional Art Gallery where Joel, Tanielu and Gianni proudly displayed their artworks. This exhibition is open to the general public until the end of September. Congratulations to you all on your outstanding achievements and effort. Many thanks to the Area News for this photograph

Welcome Dayne: We would like to introduce to you Dayne Bowen. Dayne is a casual SLSO who will be working at our school on Wednesday and Thursdays for the remainder of this term. There is a possibility that this may continue through to Term 4.

Draft Policies: Our school has recently revised two policies; Student Wellbeing and Behaviour Policy & Anti Bullying Policy. These policies have been written to reflect the changes made in those written by the Department of Education. At the P&C Meeting on Monday evening these draft documents were discussed and feedback was sought. I would like to extend an invitation to any parent or carer who may wish to read these draft documents to then provide us with feedback. If you would like a copy, please contact the school and we can send you home a copy to be returned by next Wednesday 28th August 2019.

Practicum Student: Kalinda School would like to welcome Ms Michelle Leon who is completing her university practicum in Special Education at our school. Michelle will be here throughout Week 7 and will be working with Wambuan Class.

Personalised Learning & Support Plan Parent Survey: Our school values feedback from our parents and community. As part of the school planning cycle, we are reflecting on the current practices that are taking place. Information gathered from this survey will assist the Student Learning Strategic Directions Team to further develop and implement plans that are more suited to the needs of our students and families. Students who receive paper copies of the newsletter will also receive a paper copy of the survey. Families who receive the newsletter via email will have a Survey Monkey link attached. We thank you for taking the time to complete these surveys.

P&C News: The P&C braved the cold weather on Monday night. Items discussed was the playground upgrade, draft policies presented by Mrs Sampson and consultation around the change of school uniform. The next meeting is scheduled for Monday 9th September at 7pm in our school Library. Everyone is welcome to attend.

Potential Uniform Change Consultation: as part of the consultation process, you will find attached a survey and information from the P&C regarding possible uniform changes. The proposed colour of the school t-shirt is royal blue with white styles open for discussion. You will be able to see these t-shirts and jackets (additional and optional) in our school office. Please note that the only changes being considered are for the t-shirt and additional jacket, if you wish. The current jumper and thick winter jackets will remain as part of the uniform. If changes do go ahead, a 3 year transition period will take place with all students to be in the 'new' uniform to commence 2023. Feedback from this consultation process will be discussed at the next P&C meeting which we encourage all families to attend. Please note that consultation will assist the P&C in making an informed decision as to how to move forward with any potential changes to uniform. Please return surveys to school by Wednesday 4th September.
